**NOTICE OF DENIAL OF REGISTRATION**  
Important Information - Please Read

Dear Dr. Cantu:

You are being contacted as a result of a comprehensive search, based on identifiers such as social security number, name, and date of birth. This matching universe is performed by the Texas Office of the Attorney General - Child Support Division, in order to notify licensing boards that you may have defaulted on your child support payments for six months or more prior to the date of this notice.

Holders of professional educational licenses or permits in Texas who are identified as being in child support default are not eligible for license or permit reinstatement until they have entered into a payment agreement with the Attorney General's Office.

In order to register your licensure/permit, you must contact the Office of the Attorney General to make payment arrangements and obtain a release. If you have not already received a letter from the Child Support Division with the contact information for the local Child Support office in your area, you should receive one shortly. If you have any questions regarding child support payment arrangements, please contact the Texas Office of the Attorney General - Child Support Division at 1-800-250-4014.

You will not be eligible to register your license, which expires on 10/30/2018, unless we have received a notice of release from the Child Support Division. Please note that it may take several weeks to receive this notice.

If you have any questions, you may contact me via email, in my attention at [registrations@tmb.state.tx.us](mailto:registrations@tmb.state.tx.us).

Sincerely,

Ashley L. Lee
